

Sri Sathya Sai Prashanthi Niketanam College for Women

Kondapaka, Siddipet

## An Overview of EDUCATION

For the child to have a well-rounded personality and to be able to withstand the pressures of life, there needs to be an equal emphasis on Physical, Intellectual, Emotional and spiritual aspects, in any progressive education system.

The objective of the Sathya Sai way of education has always been to impart free values-based integral education that helps build character, who are dedicated to serving the society.

## MAHAVISHNU HOMAM

**Maha Vishnu Homam is a sacred Vedic ritual dedicated to Lord Vishnu, the preserver and sustainer of the universe,**

seeking his blessings for prosperity, harmony, and spiritual well-being."

We are privileged to have Mrs. Kavita Rajesh, the Vice President of Hyderabad Management Association (HMA) and the Secretary of the Association of Women Entrepreneurs of India (ALEAP), grace us with her presence on this auspicious day of the Maha Vishnu Homam. Her participation and performance in this sacred ritual add a profound sense of dedication and reverence to our gathering.

### GUESTS VISIT

**Ms. Kavita Rajesh**, an esteemed entrepreneur since 1995, leads the renowned "Om Sai Andhra Paints" (OSAP), renowned for its 'Gold Seal' brand catering to diverse sectors like L&T, infrastructure, and OEM. She is an active member of ALEAP, serving as the present Secretary at IALA Industrial estate and CED Center for Entrepreneurial Development, emphasizing skill enhancement. Additionally, Kavita held the esteemed position of President at the Hyderabad Management Association (HMA) in 2021-2022, representing management professionals' interests in Telangana and Andhra Pradesh.

Kavita Rajesh had an amazing experience during a Vedic ritual, feeling divine throughout. She showcased exceptional skills in managing people, guests, and education, reflecting a well-rounded persona. Impressed by the event, she believes such women are the future of India, ready to face the world with their abilities. She extended her best wishes to these children, emphasizing their importance for India's future.

**Ms. Amita Desai**, with a global upbringing, holds M.A., M.Ed. degrees from the University of Hamburg. She worked at Indo-German Chamber of Commerce and Goethe-Institute in Bombay before founding Goethe-Zentrum Hyderabad in 2004. Known for her dynamic approach, she's led various cultural initiatives and served as the Festival Director for Hyderabad Literary Festival. Since 2012, she's represented Hamburg as an Honorary Representative and became

Honorary Consult for Germany in Telangana and Andhra Pradesh from Feb 2022.

Ms.Amita Desai first met Satya Sai Baba in the US during a bhajan at someone's home, feeling an instant connection upon seeing his photo. Her mother, a devoted follower, collected vibhuti. After her mother passed away, Amita found small vibhuti packets everywhere, feeling it was a message from Baba. She believes every experience with Baba, like finding vibhuti, holds a special message, urging everyone to cherish such moments as they reflect our inner divinity, who kept us safe in his divine care.

### **BABY GIRL CALF BORN IN OUR GOSHALA**

In our campus, Go Matha's newborn calf brings a joyous blessing, filling hearts with warmth and happiness.

The arrival  
campus is  
delight all

of Go Matha's baby calf in our  
a precious gift, spreading pure  
around.

## NATIONAL MATHEMATICS DAY

Children's vibrant dance performances for National Mathematics Day beautifully intertwined the Fibonacci sequence, geometric shapes, and calculus concepts, captivating audiences with the elegance of numbers in motion. This celebration not only honored Srinivasa Ramanujan's legacy but

also showcased the harmonious fusion of mathematics and artistry, leaving a lasting impression of the mesmerizing interplay between numbers and creative expression.

Sri C. Santhosh Kumar, the BJP representative in charge of the Medak parliamentary constituency, recently visited the college and conveyed that it offers greater opportunities for the children to flourish in the serene ambiance.

### GITA JAYANTHI

Gita Jayanti celebrates the Bhagavad Gita's teachings conveyed by Lord Krishna to Arjuna. During this festival, children display their talents in dance, role play, and games, highlighting the practical application of the Gita's wisdom in everyday life. Through their performances, they showcase moral values, righteous action, mental resilience, and the importance of fulfilling duties without attachment to results. This celebration serves as a platform for children to creatively depict and embody the timeless teachings of the Bhagavad Gita.

## MUKKOTI EKADASI

It's wonderful to hear that children from rural areas hold strong beliefs and eagerly visit temples on Mukkoti Ekadasi to seek Lord Vishnu's blessings. For these children and their parents, the opportunity to visit nearby temples on this auspicious day brings immense joy and a sense of spiritual fulfillment. Such visits allow families to partake in religious rituals, offer prayers, and experience a connection with their faith, fostering a deep

sense of cultural and spiritual enrichment within their communities.

मानव सेवा माधव सेवा

## CHRISTMAS CELEBRATIONS

The Christmas celebration was filled with an abundance of joy and cheer as students enthusiastically enacted a heartwarming drama, bringing the festive spirit to life with their performances. The air resonated with melodious carols sung by our students, spreading warmth and happiness throughout the gathering. A prayer from holy book Bible added depth and meaning to the occasion, reminding everyone of the true essence of Christmas and its significance. Laughter, smiles, and a sense of togetherness enveloped the event, creating lasting memories of shared happiness and goodwill. Overall, the combination of the drama, carol singing, and prayer made for a truly magical and joyous Christmas celebration, fostering a sense of community and love among all who participated.

---

### **Life Skills Training**

Dr. Nitya's visit to Kondapaka Campus was a dynamic session focusing on vital student skills—concentration and memory. Her interactive teaching style captivated the students, with her standout method being the SQ3R Method (Survey, Question, Read, Recall, Review). This structured approach engaged students by first surveying the material, generating questions, reading for answers, recalling information, and finally reviewing their understanding. Her adept application of this method left a lasting impact, equipping students with effective learning strategies crucial for their academic journey.

## Self Defence & Sports Events

Silambam, a traditional Indian martial art that utilizes a stick as its primary weapon, holds significant importance in various cultural events and sports meets. The art of Silambam is not only a form of physical combat but also a rich heritage that embodies discipline, skill, and agility. Incorporating Silambam into sports meets not only showcases the artistry and prowess of its practitioners but also promotes the preservation of cultural traditions. Moreover, Silambam serves as a platform for promoting physical fitness, mental acuity, and camaraderie among participants, contributing to the overall enrichment of sporting events and cultural celebrations.

The event was graced by the Lion's Club members Siddipet
