SUCCESS STORY

Gift of Education

FAMILY

Her father was a daily wage worker in a shop, and providing education for two daughters was a Herculean task for the parents.

CHALLENGES

Just one year after joining the institution, she tragically lost her father to illness. Her mother became the sole bread winner of the family.

THE HOPE

She received an incredible opportunity to study at SSSPNK College. Despite this hardship, her education continued seamlessly, as it was fully covered by the institution, sparing her mother any financial burden.

FUTURE

She is deeply grateful to SSSPNK College for the free, value-based education. Inspired by this support, she aims to help many more children by sharing the gift of education.

Bhavana Sri

SADGURU'S VISIT

Sadguru visited the campus for two days, spending valuable time with the children and engaging in discussions on various topics. The students enthusiastically presented talks and performed cultural programs. During his visit, Sadguru took a special interest in the new 9th-grade batch, asking them about their adjustment to hostel life, how they are coping with their subjects, and ensuring they are progressing well. Sadguru also blessed the new puppy at Campus.

WORLD PEACE DAY

As part of World Peace Day celebrations, our students gathered to offer prayers from Vedic scriptures, focusing on peace, harmony, and non-violence. Through these ancient verses, they invoked blessings for global unity and understanding. Rooted in our rich cultural heritage, we aim to inspire a world where every individual contributes to harmony and compassion. World Peace Day is not just an annual event for us, but a continuous commitment—a reminder that every day can be a step toward creating a more peaceful and united world.

ISF PARTICIPATION

The International Startup Festival was held over three days at Hyderabad, starting on 28th October. We were thrilled to have the opportunity to participate and set up a stall to raise funds. This experience not only allowed us to engage with a diverse audience and share information about our institution but also gave us valuable insights into new ventures and innovative ideas in the startup ecosystem. Our students also got an opportunity to present a Bharatanatyam performance at the event.

BIRTHDAY CELEBRATIONS

Each month, a special celebration is held to honor the birthdays of students born that month. This joyful event brings everyone together to share in the happiness, with cake-cutting, singing, and fun activities, making each birthday a memorable occasion for the students.

GUEST'S VISIT

VOLUNTEER INITIATIVES BY GLOBAL DATA EMPLOYEES

Our institution was delighted to welcome a delegation of 63 employees from Global Data. Together, we planted over 100 saplings across the campus, symbolizing our commitment to environmental responsibility and green initiatives. After a campus tour, the employees actively participated in activities with the students, shared their experiences, and expressed their appreciation for the excellent arrangements made for their visit.
